PROFESSIONAL SUMMARY

Computer Applications graduate with practical experience in AI-driven and web-based application development. Skilled in programming, data analysis, and problem-solving, with strong communication skills and a collaborative, fast-learning mindset.

TECHNICAL COMPETENCIES

Languages: Java, Python, C++, JavaScript, C | **Web:** React, HTML, CSS | **Backend:** FastAPI, Node.js, REST APIs | **Databases:** MySQL, SQLite, MongoDB, Firebase | **AI/ML:** Scikit-learn, NumPy, BERT, T5, Hugging Face | **Tools:** Git, GitHub, Postman, Render | **Core:** DSA, OOP, DBMS

INTERPERSONAL SKILLS

Team Leadership | Management & Coordination | Decision Making

LANGUAGES KNOWN

English | Hindi | Punjabi | Assamese | Bengali

EDUCATION

Master's in Computer Application (specialization in AI/ML) | Chandigarh University, Chandigarh.
Session: 2025 – Present | Score: 8.53 SGPA

Bachelor's in Computer Application | Pragjyotish College, Assam
Session: 2022-2025 | Score: 8.23 CGPA

Intermediate (AHSEC) | Pragjyotish College, Assam
Session: 2020-2022 | Percentage: 76.4%

Matriculation (SEBA) | Assam Valley English High School, Assam
Session: 2019-2020 | Percentage: 60.5%

TRAINING & PROJECTS

MINDPULSE | AI/ML DEVELOPER

Jan 2026 – Present

- Developed a full-stack student wellbeing platform using React, Node.js, FastAPI, and SQLite.
- Integrated machine learning-based burnout prediction with AI-powered recommendations.
- Implemented JWT authentication, REST APIs, and assessment history tracking.

QUETIE_MBG | BACKEND & AUTOMATION DEVELOPER

Feb 2026 – Present

- Built a Twitch queue management system using FastAPI and Python.
- Developed queue controls, moderation features, and an admin dashboard.
- Deployed and maintained the system for real-world streaming workflows.

TRANSLATOR_BOT | AUTOMATION DEVELOPER

Feb 2026 – Present

- Developed a Twitch chat translation bot with real-time message processing.
- Implemented Twitch OAuth, token management, and API integrations.
- Maintained deployment and operational reliability for live stream usage.

ACADEMIC ACHIEVEMENTS

- Second Position in Higher Secondary Education in 2022 by Pragjyotish College
- First position in BCA 2025 at Pragjyotish College

CERTIFICATIONS & AWARDS

- NLP, Deep Learning, and Artificial Intelligence Certifications from Infosys
- Cyber Security Certification, Data Science Certification, and Robotics And Machine Learning Certification from Simplilearn.
- Reality X Bootcamp Participation Certificate.
